

NICHOLAS EMMANUEL C

Software Developer

nicholasemmanuel321@gmail.com | [Github](#) | [Linkedin](#) | [Portfolio](#)

Software Developer

Results-driven software developer with a passion for creating innovative and efficient solutions. Demonstrated expertise in full-stack development, collaborative problem-solving, and continuous learning to deliver high-quality software products. Proven ability to thrive in dynamic and fast-paced environments.

WORK EXPERIENCE

Full stack developer (Contract)

4/2023 – Present

[Atop web tech](#)

- As a pivotal team player in a diverse, multidisciplinary environment, I spearheaded the conceptualization, development, and deployment of cutting-edge web-based applications.
- Embracing Agile methodologies, I orchestrated the iterative delivery of features, allowing for swift adaptation to evolving project dynamics.
- These experiences have equipped me with the skills and mindset needed to contribute effectively to a dynamic and innovative work environment, where collaboration, innovation, and adaptability are paramount.

Front-End Developer Intern (Remote)

7/2022 – 1/2023

[Xoommit Coder House](#)

- Collaborated with a dynamic team of developers to create innovative web applications.
- Contributed to the development of XOOMMIT's custom software, ensuring seamless user experiences.
- Gained practical experience in agile development methodologies and version control (e.g., Git).

[Microverse](#)

- Fostered a positive relationship based on trust and mutual respect.
- Encouraged mentees to set and achieve both short-term and long-term goals.
- Assisted mentees in developing coping skills and problem-solving abilities.
- Connected mentees with relevant resources and opportunities when needed.
